ILA Approves New 6-Year Contract

We're very pleased to bring you the news that the International Longshoreman's Association's 14,500 members have **overwhelmingly approved** the new 6-year contract. This concludes more than a year of negotiations for the ILA and we now just wait for the **United States Maritime Alliance's** (USMX) final ratification on April 17th.

This is great news - we're just one final step away from an agreement that should bring stability to East and Gulf Coast ports.

As always, your local **[Pacer International/Ocean World Lines](#)** office or network partner is available to consult on your logistics business. Please do not hesitate to contact us with your questions and comments.
