Norman Global Logistics Ltd. Joins our Network in the UK

With effect from 1st April, 2014 we have appointed **Norman Global Logistics Ltd.** as our Pacer Network Agent in the UK. **Norman Global Logistics, Ltd.** (NGL) is a full-service freight forwarder with 6 UK locations at key ports and airports throughout the country. By partnering with NGL we have significantly enhanced our coverage area, gained additional expertise (including some familiar faces) and improved our service deliverability to UK importers and exporters. NGL will handle our forwarding, customs brokerage and logistics requirements.

The current Pacer UK facility was retired as of 31st March, 2014 and all ongoing business has been transitioned to NGL. We're including key contact information for you below:
